*****Vote Alert: Vote No on Motion to Proceed to Sen. Reid's Health Care Bill*****

*The Center for Fiscal Accountability WILL RATE a vote against
any motion to proceed to consideration of Sen. Reid's Healthcare bill.*

This week, you will likely be asked to cast a vote on a motion to proceed to consideration of Senate Majority Leader Harry Reid's (D-Nev.) healthcare bill.

The Center for Fiscal Accountability urges all Members of the United States Senate to vote against any motion to proceed to consideration of this legislation, as such a vote is tantamount to a vote in support of this deeply-flawed bill.

America cannot afford this costly legislation, which will grow the size and scope of government to an unprecedented and unsustainable level. Adding insult to injury, the legislation would increase taxes by hundreds of billions of dollars over the next decade and destroy private sector health insurance.

**A VOTE IN FAVOR OF THE MOTION TO PROCEED
IS A VOTE IN FAVOR OF THE BILL.**

*Consequently, the Center for Fiscal Accountability WILL RATE a vote against any
motion to proceed to Sen. Reid's healthcare bill in our annual Congressional Ratings.*
